

Sean Drei A. Octavo

Baguio City, 2600 — +63 906 488 6484 — [linkedin.com/in/seanoctavo](https://www.linkedin.com/in/seanoctavo) — github.com/seanseand — sdaoctavo@gmail.com

EDUCATION

Saint Louis University <i>Bachelor of Science in Computer Science</i> – Dean’s Lister	Baguio City, Benguet <i>May 2026</i>
University of Saint Louis <i>STEM Strand</i>	Tuguegarao City, Cagayan <i>July 2021</i>

EXPERIENCE

ESCA (Ecosystem for Sustainable Commerce in Agriculture) <i>Co-Founder & Chief Product Officer</i> – Co-founded ESCA, a mobile platform for farmers to log crop lifecycles, monitor real-time greenhouse conditions (temperature, humidity, pH) via IoT integration, and enable cooperative admins to track farming performance analytics. – Lead front-end development within a 6-person team, owning features end-to-end — from UI/UX direction through data-layer integration — and delivering MVP across 3 user roles (farmer, cooperative admin, packing house admin). – Spearhead product vision and roadmap; coordinating upcoming pilot rollout with partner organization ALCAVEGA. – Applied agentic coding workflows — using AI agents for code generation, iterative debugging, and feature scaffolding — to accelerate frontend delivery across multiple sprint cycles. – <i>Stack: React Native, Expo, TypeScript, Supabase (Postgres, Auth, Realtime), Expo Router</i>	Baguio City, Philippines <i>2025 – Present</i>
NOAH Business Applications <i>Developer Intern</i> – Executed Business Requirements Test Scripts (BRTS) and System Specifications (BRSS) across 20+ modules on 3 enterprise platforms. – Identified and documented defects and inconsistencies across multiple services, contributing to QA coverage on concurrent projects.	Makati City, Philippines (Remote) <i>June 2025 – July 2025</i>
Panpacific University <i>Development Team Member</i> – Remastering a university website onto a modern CMS platform — owning responsive frontend implementation, CMS architecture decisions, and content migration from the legacy site. – <i>Stack: HTML, Tailwind CSS, Wagtail</i>	Urdaneta City, Pangasinan <i>2025 – Present</i>

TECHNOLOGIES & TOOLS

• Languages: Java, Python, JavaScript, TypeScript, HTML, CSS, PHP, C • Frameworks/Libraries: React Native, Expo, React, Next.js, Node.js, Express.js, Tailwind CSS, Wagtail, JavaFX, scikit-learn, XGBoost, TensorFlow, Keras • Database: MySQL, MongoDB, Supabase • Dev Tools: Git, Docker • AI Tools: Claude Code, Opencode, Antigravity, ChatGPT, Orca, Codex • Agentic Development: Multi-agent coding workflows for end-to-end feature development, code generation, and iterative debugging • UI/UX: Figma, Canva, Adobe Photoshop, Adobe Illustrator	Certifications • Lean Six Sigma Yellow Belt Certificate No. CLSSYB-032225-66 • AskLex Project Management Certificate No. PMFC-032325-26

PROJECTS

TB Treatment Outcome Prediction <i>Undergraduate Thesis</i> <i>Python, scikit-learn, XGBoost, TensorFlow/Keras</i> – Compared 6 ML models on DOH-CAR TB-DOTS data (2015–2025, 15 features); Random Forest + SMOTE-ENN achieved AUC ~0.71 with the best balance of recall and precision for failure detection. – “Treatment Success and Failure Prediction using Machine Learning Models for Pulmonary Tuberculosis Patients under the DOH-CAR TB-DOTS Program” – Contributing to the design and development of an agent interface for model deployment and clinical decision support.

SOFT SKILLS & INTERESTS

Soft Skills: Creativity, Adaptability in Team Settings, Strategic Planning, Growth Mindset — Languages: English, Filipino — Hobbies: Cycling, Fishing, Photography
